IMPORTANT - READ CAREFULLY AND KEEP FOR FUTURE REFERENCE. THE DOG'S SAFETY MAY BE AFFECTED IF YOU DO NOT FOLLOW THESE INSTRUCTIONS.

WARNING

1. Always check before buying your dog crate whether the crate can be properly installed in your vehicle. For more information on compatible vehicles, contact your local dealer or visit thule.com.
2. The Thule Allax Double dog crate is only intended to transport dogs.
3. The Thule Allax Double can be used to carry either one or two dogs.
4. Keep out of reach of children. This product is not intended for use by children.
5. Before use, check national laws and regulations in the country you intend to use the product.
6. Never leave the dog unattended.
7. Make sure your dog is trained to use the crate before traveling.
8. Before each journey, make sure the dog crate is properly installed in the vehicle. Check that the dog crate is firmly attached to the vehicle's cargo loops. The straps must be tightened without slack.
9. The restraint system must be used only to restrain the dog crate in the trunk of the car. Do not use the restraint system to mount the crate in the front passenger seat, back passenger seat, or anywhere else.
10. The restraint system shall be used only to secure the dog crate. Do not use the restraint system to secure any other objects.
11. Always keep the door to the dog crate locked during travel.
12. Do not have a leash attached to the dog while the dog is inside the crate.
13. Ensure there are no sharp objects within reach of the dog.
14. Always check the surface temperature of the product before use.
15. Always maintain proper ventilation within the dog crate to prevent overheating. **NEVER** leave the dog alone in the car in hot weather without proper ventilation. Always make sure that the dog does not become too hot or too cold.
16. Check your dog regularly during travel to make sure the dog is comfortable in the dog crate.
17. Do not leave your dog in the crate for prolonged periods of time.

18. Do not place any loose objects inside the crate.
19. The vehicle's speed must always be adjusted to the load being carried and the current driving conditions, such as the road type, road quality, wind conditions, traffic intensity and applicable speed limits. Applicable speed limits and other traffic regulations must always be observed.
20. Do not exceed the maximum load specified in the assembly instructions. Drive slowly over speed bumps, maximum speed 10 km/h.
21. Do not modify the dog crate in any way.
22. Do not let the dog bite or chew on any part of the crate.
23. Do not place the dog crate on a raised or any uneven surface.
24. Do not use the dog crate as a form of punishment for the dog.
25. Check any conflict between the trunk lid window and the dog crate before closing the trunk lid.
26. When the product is removed from the vehicle, all loose parts should be stored safely.

Maintenance

27. Regularly inspect the product for damage and signs of wear. Do not use the product if any part is broken.
28. Store your Thule Allax Double dog crate in a dry place. Avoid prolonged exposure to sunlight.
29. Use only lukewarm soapy water to clean the product.
30. Do not use accessories or replacement parts other than those approved by the manufacturer. Warranty will be void if nonoriginal parts or accessories are used. For information, please contact your local dealer or visit thule.com.

WAARSCHUWING

1. Controleer altijd vóór de aanschaf van uw hondenkrat of het krat goed in uw voertuig kan worden geïnstalleerd. Voor meer informatie over compatibele voertuigen, neem contact op met uw plaatselijke dealer of bezoek thule.com.
2. De Thule Allax Double hondenkrat is alleen bedoeld voor het vervoeren van honden.
3. De Thule Allax Double kan worden gebruikt om één of twee honden te vervoeren.
4. Buiten het bereik van kinderen houden. Dit product is niet bedoeld voor gebruik door kinderen.
5. Controleer vóór gebruik de nationale wetten en voorschriften in het land waar u het product wilt gebruiken.
6. Laat de hond nooit onbeheerd achter.
7. Zorg ervoor dat uw hond getraind is om het krat te gebruiken voordat u op reis gaat.
8. Controleer vóór elke reis of de hondenkrat goed in het voertuig is geïnstalleerd. Controleer of de hondenkrat stevig is bevestigd aan de laadlusen van het voertuig. De riemen moeten zonder speling worden aangetrokken.
9. Het bevestigingssysteem mag alleen worden gebruikt om de hondenkrat in de kofferbak van de auto vast te zetten. Gebruik het bevestigingssysteem niet om het krat op de voorste passagiersstoel, achterbank of ergens anders te bevestigen.
10. Het bevestigingssysteem mag alleen worden gebruikt om de hondenkrat vast te zetten. Gebruik het bevestigingssysteem niet om andere voorwerpen vast te zetten.
11. Houd de deur van de hondenkrat altijd vergrendeld tijdens het reizen.
12. Bevestig geen riem aan de hond terwijl de hond zich in het krat bevindt.
13. Zorg ervoor dat er geen scherpe voorwerpen binnen het bereik van de hond zijn.
14. Controleer altijd de oppervlaktetemperatuur van het product vóór gebruik.
15. Zorg altijd voor voldoende ventilatie in de hondenkrat om oververhitting te voorkomen. Laat de hond NOOIT alleen in de auto bij warm weer zonder goede ventilatie. Zorg ervoor dat de hond niet te warm of te koud wordt.
16. Controleer uw hond regelmatig tijdens het reizen om er zeker van te zijn dat de hond zich comfortabel voelt in de hondenkrat.
17. Laat uw hond niet voor langere tijd in het krat.
18. Plaats geen losse voorwerpen in het krat.

19. De snelheid van het voertuig moet altijd worden aangepast aan de lading en de huidige rijomstandigheden, zoals het type weg, de kwaliteit van de weg, windomstandigheden, verkeersintensiteit en geldende snelheidslimieten. Geldende snelheidslimieten en andere verkeersregels moeten altijd worden nageleefd.
20. Overschrijd de maximale belasting die is aangegeven in de montage-instructies niet. Rijd langzaam over verkeersdrempels, maximaal 10 km/u.
21. Wijzig de hondenkrat op geen enkele manier.
22. Laat de hond niet op delen van het krat bijten of kauwen.
23. Plaats de hondenkrat niet op een verhoogd of ongelijk oppervlak.
24. Gebruik het hondenkrat niet als een vorm van straf voor de hond.
25. Controleer of er geen conflict is tussen het kofferdekselraam en het hondenkrat voordat u het kofferdeksel sluit.
26. Wanneer het product uit het voertuig wordt verwijderd, moeten alle losse onderdelen veilig worden opgeborgen.

Onderhoud

27. Inspecteer het product regelmatig op schade en tekenen van slijtage. Gebruik het product niet als een onderdeel beschadigd is.
28. Bewaar uw Thule Allax Double hondenbench op een droge plaats. Vermijd langdurige blootstelling aan zonlicht.
29. Gebruik alleen lauw zeepwater om het product schoon te maken.
30. Gebruik alleen accessoires of vervangingsonderdelen die door de fabrikant zijn goedgekeurd. De garantie vervalt als niet-originele onderdelen of accessoires worden gebruikt. Voor informatie kunt u contact opnemen met uw lokale dealer of thule.com bezoeken.

15. Mantenha sempre uma ventilação adequada dentro da caixa de transporte para cães para evitar superaquecimento. NUNCA deixe o cão sozinho no carro em dias quentes sem ventilação adequada. Certifique-se de que o cão não fique muito quente ou muito frio.
16. Verifique seu cão regularmente durante a viagem para garantir que ele esteja confortável na caixa de transporte.

17. Não deixe seu cão na caixa por períodos prolongados.
18. Não coloque objetos soltos dentro da caixa.
19. A velocidade do veículo deve ser sempre ajustada à carga transportada e às condições de condução atuais, como tipo de estrada, qualidade da estrada, condições de vento, intensidade do tráfego e limites de velocidade aplicáveis. Os limites de velocidade aplicáveis e outros regulamentos de trânsito devem ser sempre observados.
20. Não exceda a carga máxima especificada nas instruções de montagem. Dirija devagar sobre lombadas, velocidade máxima de 10 km/h.
21. Não modifique a caixa de transporte para cães de nenhuma forma.
22. Não deixe o cão morder ou mastigar qualquer parte da caixa.
23. Não coloque a caixa de transporte para cães em uma superfície elevada ou irregular.
24. Não use a caixa como uma forma de punição para o cão.
25. Verifique se há conflito entre a janela da tampa do porta-malas e a caixa antes de fechar a tampa do porta-malas.
26. Quando o produto for removido do veículo, todas as partes soltas devem ser armazenadas com segurança.

Manutenção

27. Inspeção regularmente o produto em busca de danos e sinais de desgaste. Não utilize o produto se qualquer parte estiver quebrada.
28. Armazene a caixa para cães Thule Allax Double em um local seco. Evite a exposição prolongada à luz solar.
29. Use apenas água morna com sabão para limpar o produto.
30. Não use acessórios ou peças de reposição que não sejam aprovados pelo fabricante. A garantia será anulada se peças ou acessórios não originais forem utilizados. Para mais informações, entre em contato com seu revendedor local ou visite thule.com.

IMPORTANT - READ CAREFULLY AND KEEP FOR FUTURE REFERENCE. THE DOG'S SAFETY MAY BE AFFECTED IF YOU DO NOT FOLLOW THESE INSTRUCTIONS.

WARNING

1. Controllare sempre, prima dell'acquisto, se il trasportino per cani può essere correttamente installato nel proprio veicolo. Per maggiori informazioni sui veicoli compatibili, contattare il rivenditore locale o visitare thule.com.
2. Il trasportino per cani Thule Allax Double è destinato esclusivamente al trasporto di cani.
3. Il Thule Allax Double può essere utilizzato per trasportare uno o due cani.
4. Tenere fuori dalla portata dei bambini. Questo prodotto non è destinato all'uso da parte dei bambini.
5. Prima dell'uso, verificare le leggi e i regolamenti nazionali nel paese in cui si intende utilizzare il prodotto.
6. Non lasciare mai il cane incustodito.
7. Assicurarsi che il cane sia abituato al trasportino prima di viaggiare.
8. Prima di ogni viaggio, assicurarsi che il trasportino sia correttamente installato nel veicolo. Controllare che il trasportino sia saldamente fissato agli anelli di ancoraggio del veicolo. Le cinghie devono essere tese e senza gioco.
9. Il sistema di ritenuta deve essere utilizzato solo per fissare il trasportino nel bagagliaio dell'auto. Non utilizzare il sistema di ritenuta per montare il trasportino sul sedile anteriore, sul sedile posteriore o in altri punti.
10. Il sistema di ritenuta deve essere utilizzato esclusivamente per fissare il trasportino per cani. Non utilizzare il sistema di ritenuta per fissare altri oggetti.
11. Durante il viaggio, tenere sempre la porta del trasportino chiusa a chiave.
12. Non lasciare un guinzaglio attaccato al cane quando si trova all'interno del trasportino.
13. Assicurarsi che non ci siano oggetti appuntiti alla portata del cane.
14. Controllare sempre la temperatura della superficie del prodotto prima dell'uso.
15. Mantenere sempre una ventilazione adeguata all'interno del trasportino per evitare il surriscaldamento. NON lasciare mai il cane da solo in auto in presenza di alte temperature senza una ventilazione adeguata. Assicurarsi sempre che il cane non abbia né troppo caldo né troppo freddo.
16. Controllare regolarmente il cane durante il viaggio per assicurarsi che sia a suo agio nel trasportino.
17. Non lasciare il cane nel trasportino per periodi prolungati.
18. Non collocare oggetti sciolti all'interno del tra-

sportino.

19. La velocità del veicolo deve essere sempre adeguata al carico trasportato e alle condizioni di guida, come il tipo di strada, la qualità del manto stradale, le condizioni del vento, l'intensità del traffico e i limiti di velocità applicabili. Rispettare sempre i limiti di velocità e il codice della strada.
20. Non superare il carico massimo specificato nelle istruzioni di montaggio. Procedere lentamente sui dossi, velocità massima 10 km/h.
21. Non modificare in alcun modo il trasportino.
22. Non permettere al cane di mordere o rosicchiare alcuna parte del trasportino.
23. Non posizionare il trasportino su superfici rialzate o irregolari.
24. Non utilizzare il trasportino come forma di punizione per il cane.
25. Controllare eventuali interferenze tra il lunotto del bagagliaio e il trasportino prima di chiudere il bagagliaio.
26. Quando il prodotto viene rimosso dal veicolo, tutte le parti sciolte devono essere conservate in un luogo sicuro.

Manutenzione

27. Ispezionare regolarmente il prodotto per verificare eventuali danni o segni di usura. Non utilizzare il prodotto se una qualsiasi parte risulta danneggiata.

IMPORTANT - READ CAREFULLY AND KEEP FOR FUTURE REFERENCE. THE DOG'S SAFETY MAY BE AFFECTED IF YOU DO NOT FOLLOW THESE INSTRUCTIONS.

WARNING

1. Always check before buying your dog crate whether the crate can be properly installed in your vehicle. For more information on compatible vehicles, contact your local dealer or visit thule.com.
2. The Thule Allax Double dog crate is only intended to transport dogs.
3. The Thule Allax Double can be used to carry either one or two dogs.
4. Keep out of reach of children. This product is not intended for use by children.
5. Before use, check national laws and regulations in the country you intend to use the product.
6. Never leave the dog unattended.
7. Make sure your dog is trained to use the crate before traveling.
8. Before each journey, make sure the dog crate is properly installed in the vehicle. Check that the dog crate is firmly attached to the vehicle's cargo loops. The straps must be tightened without slack.
9. The restraint system must be used only to restrain the dog crate in the trunk of the car. Do not use the restraint system to mount the crate in the front passenger seat, back passenger seat, or anywhere else.
10. The restraint system shall be used only to secure the dog crate. Do not use the restraint system to secure any other objects.
11. Always keep the door to the dog crate locked during travel.
12. Do not have a leash attached to the dog while the dog is inside the crate.
13. Ensure there are no sharp objects within reach of the dog.
14. Always check the surface temperature of the product before use.
15. Always maintain proper ventilation within the dog crate to prevent overheating. **NEVER** leave the dog alone in the car in hot weather without proper ventilation. Always make sure that the dog does not become too hot or too cold.
16. Check your dog regularly during travel to make sure the dog is comfortable in the dog crate.
17. Do not leave your dog in the crate for prolonged periods of time.

18. Do not place any loose objects inside the crate.
19. The vehicle's speed must always be adjusted to the load being carried and the current driving conditions, such as the road type, road quality, wind conditions, traffic intensity and applicable speed limits. Applicable speed limits and other traffic regulations must always be observed.
20. Do not exceed the maximum load specified in the assembly instructions. Drive slowly over speed bumps, maximum speed 10 km/h.
21. Do not modify the dog crate in any way.
22. Do not let the dog bite or chew on any part of the crate.
23. Do not place the dog crate on a raised or any uneven surface.
24. Do not use the dog crate as a form of punishment for the dog.
25. Check any conflict between the trunk lid window and the dog crate before closing the trunk lid.
26. When the product is removed from the vehicle, all loose parts should be stored safely.

Maintenance

27. Regularly inspect the product for damage and signs of wear. Do not use the product if any part is broken.
28. Store your Thule Allax Double dog crate in a dry place. Avoid prolonged exposure to sunlight.
29. Use only lukewarm soapy water to clean the product.
30. Do not use accessories or replacement parts other than those approved by the manufacturer. Warranty will be void if nonoriginal parts or accessories are used. For information, please contact your local dealer or visit thule.com.
